Wonderful southwest facing two bedroom two bathroom ground floor apartment in the well known urbanization of La Alzambra. This apartment has one of the best locations in the complex, close to the entrance, just a few minutes walking to Puerto Ban  s. The layout of this apartment makes it very easy to convert into a three bedroom apartment with a big living and dining area, leading to the terrace with direct access to the communal pool, just a few steps away. The apartment has central AC, heating and marble floors throughout. A really good opportunity to buy a property in this complex.
