Unique!!! Only 5 apartment of this type in the whole of La Alzambra.

A fully renovated 4 bedroom duplex penthouse in La Alzambra phase II. One of the largest types in the complex with panoramic sea and mountain views.

The property has enormous terraces with a private swimming pool on the upper level. Underfloor heating throughout. Huge living room and dining area both leading onto an expansive terrace. Fully fitted kitchen. Private lift directly to the apartment. All the 4 bedrooms are masters with en en-suites. The apartment has 3 private garage spaces and 2 storerooms.

La Alzambra phase II has 24 hours security and is only 5 minutes walk away from Puerto Banus.

This penthouse is very special and rarely available.
